Makhanda SPCA Management System: User Guide

Version 1.1

Date: October 15, 2025

1. Introduction

This guide provides instructions for all user roles of the Makhanda SPCA Management System, including

new features for Events, Fosters, and Vet Appointments.

2. System Access & Login

URL: https://portal.makhandaspca.org

Public Users: No login is required to view animals, report cruelty, or donate.

Staff & Volunteers: Log in with provided credentials.

3. The Homepage & Public Portal

The public-facing website allows users to:

• View Animals: Browse adoptable pets with detailed profiles.

• Report Cruelty: Submit anonymous reports with evidence upload.

• Donate: Make secure online donations with automatic receipts.

• Apply to Adopt: Submit an application for any available animal.

4. Volunteer Staff Guide

Content remains the same as previous guide: Dashboard, Logging Hours, Applying to Foster.

5. Veterinary Staff Guide

5.1. Vet Dashboard & Navigation

Upon login, veterinarians are greeted with a dashboard showing:

• Upcoming appointments for the day.

• Alerts for animals requiring urgent treatment.

• A summary of recent medical procedures performed.

Veterinary Navigation Menu:

• Dashboard

• View Animals

• Appointments

• Treatments

• Reports

6. Administrative Staff Guide

6.1. Admin Dashboard & Navigation

The Admin Dashboard provides a powerful overview of shelter operations, including metrics on kennel

occupancy, donation totals, pending tasks, and volunteer participation trends.

Admin Navigation Menu:

• Animals

• Kennels

• Cruelty Reports

• Adoptions

• Fosters

• Donations

• Volunteers

• Events

• Users

• Subscribers

• Reports and Analysis

7. Frequently Asked Questions (FAQ)

Q: As a vet, how do I know what appointments I have today?

A: Your Vet Dashboard will list your upcoming appointments as soon as you log in.

Q: What is the difference between an "Event" and an "Appointment"?

A: An Appointment is for a specific animal's medical check-up. An Event is a shelter-wide function.

Q: Can an animal be in both foster care and have an adoption application?

A: Yes, they can. The foster location would be noted in its profile.

Q: Where can I see which volunteer has the most hours this month?

A: An administrator can find this information under Reports and Analysis > Volunteer Participation Trends.
